Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322.

The requested changes to Column 1, lines 54-55, 60-61, and 61, do not apply because the text in the patent is consistent with changes made by Applicant in the Amendment dated March 29, 2005. The requested change to Claim 5 does not apply because claim 6 of the patent is the claim that was amended by Examiner's Amendment not claim 5.

In view of the foregoing your request is hereby denied.

A certificate of correction will be issued to correct the remaining errors in your request.

Further correspondence concerning this matter should be filed and directed to:
